Call for papers

MSOM Conference 2018

Naveen Jindal School of Management

University of Texas at Dallas

The Manufacturing and Service Operations Management (MSOM) society will hold its annual conference on **Monday, July 2nd and Tuesday July 3rd, 2018**. The meeting is organized by the Operations Management group at the Naveen Jindal School of Management of the University of Texas at Dallas. The conference will take place at the Hilton Anatole in Dallas, Texas. The MSOM Conference will be preceded by the MSOM Special Interest Group (SIG) Meeting on **Sunday July 1st, 2018**. We invite anyone interested in presenting a paper at the MSOM Conference to submit an extended abstract.

Abstracts should not exceed three (3) pages double-spaced, in Times New Roman, font size 12, and can be submitted in Word or .pdf format. No math symbols should be used and tables and diagrams should be minimal.

Abstracts will be selected for oral presentation by blind review, meaning **no authors' names or affiliations should appear on the abstracts**. However, special consideration will be given by the conference committee to papers to be presented by faculty members. This consideration is based on the survey of the society conducted last fall. For the benefit of all, if you indicate a faculty member will present, we hope this will be the case. Following MSOM policy, every abstract submitted will be automatically accepted into a poster session if not accepted for oral presentation. Acceptance of a paper for oral or poster presentation is conditional on at least one author registering for the conference.

To submit an abstract for MSOM 2018 conference, please follow the submission link from the conference website <http://jindal.utdallas.edu/msom2018>. Submission will be open from January 15, 2018 until February 23, 2018. No papers will be accepted after the February 23 deadline.

Please note that submission requirements for the MSOM Conference differ from the SIG submission requirements; papers submitted for SIG consideration should be sent to the specific SIG following their call for papers.

Also, note that registration for the conference will open early this year, on December 18, 2017.

For any questions about the MSOM conference, please contact MSOM2018@utdallas.edu
