

## ***CALL FOR PAPERS***

### **SEINFORMS**

### **58<sup>th</sup> Annual Meetings**

### ***"Sharing Insights on the Boardwalk"***

**Hilton Myrtle Beach Resort  
Myrtle Beach, South Carolina**

**October 6 – 7, 2022**

Papers and proposals, seminars, tutorials, panel sessions, and workshops are invited across all business topics related to management science techniques and applications, and innovative methods of teaching management science.

Make plans now to share your research with us in October and enjoy the fellowship, and fun in the heart of the Grand Strand with its sandy white beach, fresh-off-the-boat seafood, and premier golf courses.

#### **The submission process opens from May 1, 2022, through August 15, 2022.**

1. Click on the following link [SEINFORMS 2022](#) to make a submission to the conference. Instructions for the submission process are given. Files must be submitted in PDF format.
2. For 2022, SEINFORMS welcomes "Abstracts" only and "Paper Proposals" for conference attendance and presentations, as well as "Poster Presentations" for undergraduate students. Abstracts will be published in a section of the proceedings. You can submit your full paper at any time after you submitted your abstract to be included for paper award considerations. "Abstracts" will not be considered for paper award consideration. We encourage you to come and share your research ideas with us in hopes of converting the ideas into refereed journals.
3. Paper proposals should be a minimum of four (4) pages long and describe the complete paper.
4. An author is limited to submitting a maximum of three (3) papers, either single or multiple-authored.
5. Authors and affiliations including complete addresses, phone numbers, and e-mail addresses are collected during the submission process and thus should NOT be included in the submitted document.
6. In the case of multiple authors, all correspondence will be sent to the first author, unless otherwise requested.

**Participant Obligation:** The submission of a paper, abstract, paper proposal or poster for this meeting means that the author(s) agree(s) to participate in the meeting by serving as session chairs and discussants if needed. Only those authors who register to attend the meeting in advance of the publication date and present during the conference will have their papers published in the proceedings.

**Student Papers and Posters:** Graduate students are encouraged to submit papers to the appropriate subject track. Undergraduate students working with faculty sponsors are encouraged to submit posters to the Undergraduate Student Poster Session. The submission process will open on May 1, 2022, and the deadline is August 15, 2022.

**Seminars, Tutorials, Panel sessions, and Workshops:** Proposals for special sessions should include a description of the session, names and affiliations of all participants, and the proposed benefit of the session to members. It is the responsibility of the session leader to assure that the scheduled participants attend the

meeting. A one-page summary of each special session will appear in the proceedings. **Special session proposals should be at least two pages long outlining the details of the symposium, tutorial, or workshop.** General Instructions apply to special session submissions.
