ABOUT ISTDM 2020 aims to gather transportation researchers and practitioners across the globe for exploring the frontiers of big data, modeling and simulation to advance transportation research to support the connected, cooperative and automated mobility. With a greater focus on emerging technologies, ISTDM 2020 rebrands the two long-standing transportation symposia: International Symposium of Transport Simulation (ISTS), and the International Workshop on Traffic Data Collection and its Standardization (IWTDCS). During the three-day conference, plenary sessions featuring renowned speakers and interactive breakout sessions will take place at University of Michigan in Ann Arbor, United States.

IMPORTANT DATES

- Sep, 15, 2019  Abstract Submission START
- Jan, 05, 2020  Abstract Submission DUE
- Feb, 15, 2020  Notification of Acceptance

ABOUT ANN ARBOR

Ann Arbor is considered to be one of the best college towns, one of Michigan's top cities, and one of the best places to live in the United States. Although geographically small, the City of Ann Arbor is known for its globally-inspired cultural offerings and an abundance of opportunities to enjoy arts and culture. For more info visit www.visitannarbor.org

TRANSPORTATION

Detroit Metropolitan Wayne County Airport (DTW) is only 20 miles away from Ann Arbor, about a 30-45 minute drive. DTW is a major international airport, serving as one of the primary gateways to Asia and Europe for the eastern United States.
