

Assistant, Associate, or Full Professor, Operations and Supply Chain Management, Haskayne School of Business, University of Calgary

The Haskayne School of Business at the University of Calgary invites applications for a continuing appointment in **Operations and Supply Chain Management** at the level of tenure-track **Assistant Professor, Associate Professor** with Tenure, or **Professor** with Tenure. Applications are encouraged in any related field such as Business Analytics, Supply Chain Management, Healthcare Operations, Logistics and Transportation, Energy and Sustainability, and Service Operations Management. The appointment will commence on **July 1, 2020**, or at a mutually agreeable date.

Candidates must have:

- A completed (or close to be completed) doctorate degree in operations management, supply chain management, operations research, industrial engineering, or another closely related field;
- A strong record of research commensurate with the professorial rank desired;
- A demonstrated capability in graduate- or undergraduate-level teaching and willingness to undertake graduate student supervision;
- A demonstrated willingness to provide service to the university and to interact with the business community in operations and supply chain management and business analytics.

The Haskayne School of Business is growing in graduate programs in Business Analytics and Supply Chain Management. The successful candidate is expected to teach in these new initiatives. Research support is offered to all new faculty hires. The Haskayne School of Business strives to create a diverse and equitable work environment in gender and ethnicity.

Applicants at the Assistant Professor rank must have completed their doctorate degree or must be close to completion by July 1st, 2020 and provide a research plan for the upcoming five years.

Applicants at the Associate Professor rank must have a minimum of five years of experience in an academic position focused in an area related to operations and/or supply chain management, provide evidence that the individual is an excellent scholar with a rich research portfolio that includes publications in top peer-reviewed academic journals, and provide evidence of teaching effectiveness in a post-secondary institution.

Applicants at the Full Professor rank must have a minimum of 12 years of experience in an academic position focused in an area related to operations and/or supply chain management, provide evidence that the individual is an excellent scholar with a rich research portfolio that includes publications in top peer-reviewed academic journals, provide evidence of high quality personnel training and effective teaching, and provide evidence that the individual can create collaborations with businesses and industry to raise funds to support research centers and student experiences.

Accredited by AACSB International, the Haskayne School of Business is a progressive and innovative business school. Our mission is to create and communicate knowledge of critical significance, while contributing to the development of our students as leaders of moral character with professional ability equal to the best in their field. With 3,500 full and part-time students currently enrolled in bachelor's, master's, PhD and executive education programs, the business school boasts more than 18,000 alumni in 60 countries around the globe.

Interested individuals should submit their curriculum vitae, statement of research interests, statement of teaching philosophy and teaching dossier, two (working) papers, and three letters of reference along with a cover letter.

Application materials could be uploaded online or sent to oscm.recruiting@haskayne.ucalgary.ca. Confidential reference letters should be sent directly to the chair of the Academic Selection Committee (Osman Alp, osman.alp@ucalgary.ca).

Review of applications will begin on November 18, 2019 and continue until the position is filled. Department representatives will be interviewing candidates at the INFORMS Annual Meeting in Seattle, WA in October 2019. Candidates who would like to be considered for an interview at INFORMS should submit their application before **October 11, 2019** and indicate if and when they will be presenting papers at the conference.

*The University of Calgary recognizes that a diverse staff/faculty benefits and enriches the work, learning and research experiences of the entire campus and greater community. We are committed to removing barriers that have been historically encountered by some people in our society. We strive to recruit individuals who will further enhance our diversity and will support their academic and professional success while they are here. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority. In this connection, at the time of your application, please answer the following question:
Are you a Canadian citizen or a permanent resident of Canada? (Yes/No)*
