

**University of Colorado Boulder - Leeds School of Business**  
**Faculty Position (Open Rank) in Operations Management**

The Operations Group of the Division of Strategy, Entrepreneurship, and Operations of the Leeds School of Business, University of Colorado Boulder, is seeking an outstanding open-rank faculty member to begin in Fall 2023. Applicants in all areas of Operations Management will be considered. This is an open-rank position. The primary responsibility of the position is to conduct high-quality scholarly research and to teach at undergraduate, MBA, master's, and/or doctoral levels. Strong interdisciplinary interest in related fields is a plus.

Minimum requirements for this position include:

- Ph.D. degree in operations management, operations research, management science, computer science, or related fields. Doctoral students near completion of their degrees will also be considered.
- Evidence of excellence in research and teaching.
- Demonstrated research success in the broad domains of operations research and operations management.
- Willingness to teach at undergraduate, MBA, master's, and/or doctoral levels with demonstrated teaching success.

The University of Colorado Boulder, and the city of Boulder, offer a rich intellectual, cultural, recreational, and family-friendly environment. The economy of the Front Range of Colorado is strong, and private support for the university and the Leeds School is increasing steadily. The master's programs in business analytics and supply chain management have grown significantly in the last few years. The University of Colorado Boulder and the Leeds School of Business are nationally recognized for the excellence of our faculty, programs, and students. By joining the Operations Group of the Division of Strategy, Entrepreneurship, and Operations at Leeds, you will be part of a collegial and productive group of scholars with the highest standards of research and teaching excellence.

To apply for this position, please submit the application [Here](#). Please include the following materials: 1. Cover Letter; 2. Current curriculum vitae; 3. Evidence of research effectiveness; 4. Teaching Statement; 5. Research Statement; 6. Contact information for at least three references. We will begin reviewing applications upon receipt and will continue our search until the position is filled. Representatives from our group will attend INFORMS Annual meeting and speak to selected applicants. To be considered for an interview at INFORMS meeting, please submit your application by September 30<sup>th</sup>.
