

Assistant Professor of Mathematics and Operations Research

The Applied Mathematics Unit of the Department of Mathematics at William & Mary, a public university of the Commonwealth of Virginia, seeks applications for a tenure track position at the Assistant Professor level in Operations Research. Appointment will begin August 10, 2021. We are interested in individuals with research and teaching expertise in the general area of operations research.

The applicant is expected to maintain a productive research program that inspires highly motivated undergraduate and Masters students and that has the potential to yield external funding. Teaching expectation is 2 courses per semester. Successful applicants must possess the skills to teach compelling graduate courses in operations research and other lecture and seminar-style courses in undergraduate mathematics.

Required Qualifications: Applicants must hold a Ph.D. in Operations Research or a closely related field at the time appointment begins (August 10, 2021).

Preferred Qualifications: Postdoctoral research experience is desirable, and previous experience in teaching and mentoring successful undergraduate research is preferred.

Applicants must apply online at <https://jobs.wm.edu/postings/40312>. Submit a curriculum vitae, a cover letter, a statement of research and teaching interests, a statement describing previous professional experience or future plans (or both) that demonstrate a commitment to diversity and inclusion. You will be prompted to submit online the names and email addresses of three references who will be contacted by the system with instructions for how to submit a letter of reference.

For full consideration, submit application materials by January 22, 2021. Applications received after the review date will be considered if needed.

William & Mary values diversity and invites applications from underrepresented groups who will enrich the research, teaching and service missions of the university. The university is an Equal Opportunity/Affirmative Action employer and encourages applications from women, minorities, protected veterans, and individuals with disabilities. William & Mary conducts background checks on applicants for employment.

Mathematics Department faculty (www.wm.edu/as/mathematics) support and direct the M.S. degree in Computational Operations Research (www.wm.edu/as/mathematics/graduate/cor).
