

**Tulane University**  
**A.B. Freeman School of Business**  
**Professor of Practice in Business Analytics**

The A.B. Freeman School of Business at Tulane University is seeking applicants for a Professor of Practice (non-tenure system) faculty position in Business Analytics. This is a full-time faculty appointment in the academic area of Management Science with a starting date of July 1, 2021. The Professor of Practice will teach undergraduate and graduate courses and provide support for the Master of Business Analytics program.

**Job Qualifications**

The successful candidate must have a graduate degree in Management Science, Operations Management, Information Systems, Computer Science, Statistics, or Data Analytics. A strong record of relevant professional experience related to data and analytics is highly desirable. A Ph.D. degree is desired but not required. Candidates must also have proven college/university teaching experience or show strong promise in teaching in Business Analytics. The successful candidate will work with colleagues to develop and maintain an appropriate curriculum of Master of Business Analytics program.

**Compensation and Benefits**

Salary and teaching load are commensurate with other major research institutions. Tulane University offers generous benefits such as the Tuition Waiver Program for employees and their family members.

**About the University and School**

Tulane University enrolls approximately 14,000 students and is a privately funded, comprehensive research university centrally located in New Orleans. New Orleans is a vibrant, multicultural community celebrated worldwide for its music, art, and food. The Freeman School of Business offers undergraduate programs, a full-time and a part-time MBA program, other master's programs, including the Master of Business Analytics program, and many executive education programs. Additional information about the Freeman School and the faculty in its management science area may be found at [freeman.tulane.edu](https://freeman.tulane.edu).

**Application Procedure**

For full consideration, please submit a cover letter, a CV, examples of teaching effectiveness, and two or three letters of recommendation electronically at [apply.interfolio.com/81064](https://apply.interfolio.com/81064). Review of applications will begin on December 11, 2020 and will continue until the position is filled.

**Preliminary Interviews**

Members of the Recruiting Committee will conduct interviews through Zoom. Screening of applications will begin immediately and will continue until the position is filled. Hiring for all positions is subject to final budgetary approval by the University. Tulane University is an equal opportunity/affirmative action employer.
