

ASSISTANT/ASSOCIATE/FULL PROFESSOR IN BUSINESS ANALYTICS AND OPERATIONS
COLLEGE OF BUSINESS, SHANGHAI UNIVERSITY OF FINANCE AND ECONOMICS

The Department of Operations Management at the College of Business, Shanghai University of Finance and Economics, invites applications for the tenure track position in Business Analytics and Operations at the assistant/associate/full professor level starting in September 2021. Our Ideal candidates should have a strong interest in using interdisciplinary methodologies to conduct data-driven research in the fields of Operations Management, Operations Research, or related areas. They should demonstrate both the potential for publishing in top journals and excellence in teaching. Preference will be given to individuals with solid methodological foundations in Data Science, Statistics and/or Computer Science. The salary, teaching load, and faculty support are competitive. Research funds, fringe benefits, and housing allowances will be provided. Applicants should have a Ph.D. degree in a related discipline by the time of appointment.

Interested applicants should send a cover letter, curriculum vitae, samples of publications, and three letters of references to om@mail.shufe.edu.cn with the subject "BA position". Candidates are strongly encouraged to send curriculum vitae and supporting materials no later than Dec 20, 2020.
