

SEDSI Call for Papers and Abstracts: Extension

Southeast Decision Sciences Institute (SEDSI) annual meeting will be held between February 20 and 22, 2019 in Savannah, GA. "SEDSI is a regional subdivision of the Decision Sciences Institute (DSI), a professional organization of academicians and practitioners interested in the application of quantitative and behavioral methods to the problems of society".

The conference hosts the "Analytics, Business Intelligence, Data Mining, and Statistics" track. Track Chairs:

- Hadi Farhangi, Savannah State University
- Suman Niranjana, Savannah State University

As the chairs of Analytics, Business Intelligence, Data Mining, and Statistics track, we would like to invite academicians and practitioners to participate in the annual meeting. We accept papers and abstracts for presentation in the following broad areas:

- Mathematical Programming and Applications
- Applied Operations Research and Operations Management
- Analytics Applications in Homeland Security
- Predictive Analytics
- Applied Statistics
- Machine Learning and Applications
- Big Data Analytics
- Data Driven Decision Making
- Data Driven Optimization
- Pattern Recognition in Big Data
- Other Relevant Topics
