

Tulane University
A. B. Freeman School of Business
Tenure System Associate Professor in Management Science

Position Description

The A.B. Freeman School of Business at Tulane University is seeking applicants for a tenure system faculty position (Associate Professor) in management science. This is a full-time appointment in the School's management science area, with teaching responsibilities primarily in business analytics courses. All positions are to start July 1, 2022. Salary, teaching load, and research support are commensurate with other major research institutions. Hiring for all positions is subject to final budgetary approval by the university.

Qualifications

Candidates are expected to hold a Ph.D. in Management Science, Information Systems, Operations Management or a related discipline and must qualify for tenure at the Freeman School. We seek candidates with an outstanding record publishing in the top academic journals, demonstrated success in classroom teaching, and interest in supporting the continued growth of the School's business analytics program.

Application Instructions

Application materials should be submitted electronically through Interfolio and should include a cover letter, an updated curriculum vitae, copies of research papers, evidence of teaching effectiveness, and at least two letters of recommendation no later than October 15, 2021.
