

Open Positions in Supply Chain Operations, Analytics (Artificial Intelligence & Machine Learning), Finance, Economics and Accounting

Great Lakes Institute of Management is a not-for-profit, independent, research and teaching driven, global business school. Its mission is to become a center of excellence in fostering managerial leadership and entrepreneurship in the development of human capital. Its vision is to be a world class management institute to develop socially business ready leaders with a commitment towards innovation and excellence by creating, communicating and delivering valuable knowledge at an affordable cost.

Founded in 2004 by Dr. Bala Balachandran, Distinguished Professor (Emeritus in Service) of Accounting and Information Management @ the Kellogg School of Management, Northwestern University, the Institute has built a national reputation for relevance and impact over the years through effective knowledge creation and dissemination and has been at the forefront of providing high quality management education across all levels. It is consistently ranked in the top 10 across various media outlets while its analytics program has been ranked # 1 across the country over the past three years. The institute has a unique faculty model that accommodates a mix of accomplished faculty who have graduated from the best universities, primarily in the USA, Europe and India. They have also published in leading academic journals. Several visiting faculty from prestigious business schools including Stanford, Kellogg, Yale, Wharton and Carnegie Mellon visit Great Lakes on a regular basis.

Great Lakes invites applications for full time faculty positions in the area of Supply Chain Operations, Analytics, Finance, Economics and Accounting at all levels (Assistant, Associate and Full Professor). Applicants must have a PhD from a reputed institute, have high quality research and teaching skills, demonstrate ability to produce scholarly work at the highest level and show the capability of becoming excellent teachers.

Great Lakes is an equal opportunity employer and the compensation and teaching requirement are quite competitive. Research support includes generous research funding and competitive research assistance. Faculty get to work in the Platinum rated, LEED certified, green campus, the first of its kind in India and exert considerable influence over the ethos and culture of the School.

Interested candidates are requested to send their CV (electronically), sample publications and working papers in electronic form only to: **faculty.recruiting@greatlakes.edu.in**
