

Dear colleagues,

We are excited to announce the 2023 edition of **Thought Leaders: Tippie Seminar Series** with the theme of Foundations of Artificial Intelligence and Machine Learning organized by the Department of Business Analytics.

The Thought Leaders series brings together some of the brightest minds in the world to present their discoveries to the larger academic community. In the following sessions, leading-edge researchers from the field of AI and Machine Learning will speak on some of the most critical issues in the field. You won't want to miss your chance to hear their insights firsthand.

Our lineup of speakers includes:

Dr. Sam Burer
University of Iowa
April 7, 1:00–2:00 p.m. (CST)
[Register to attend](#)

Dr. Robert Nowak
University of Wisconsin-Madison
April 14, 1:00–2:00 p.m. (CST)
[Register to attend](#)

Dr. Teresa Wu
Arizona State University
April 21, 1:00–2:00 p.m. (CST)
[Register to attend](#)

Dr. Nitesh Chawla
University of Notre Dame
April 28, 1:00–2:00 p.m. (CST)
[Register to attend](#)

All seminars are available via Zoom and will take place from 1:00–2:00 p.m. (CST). Please use the provided links to register to attend the seminars via Zoom and [visit our website for details of the talks](#). On the same page, you can view recordings of our past seminars. Please feel free to share this invitation with anyone who could be interested among your network of colleagues and students.

We look forward to seeing you in our TL seminar series.

Regards,
Tippie TL Series Organization Team, on behalf of
Amy Kristof-Brown (Dean, Tippie College of Business)
Ann Campbell (DEO, Department of Business Analytics)
