

# AMAZON SCOT AND INFORMS FELLOWSHIPS

---

Apply today for fully paid attendance\* to the 2021 INFORMS Annual Meeting in Anaheim, California, October 24–27.

INFORMS announces the Amazon SCOT & INFORMS Fellowships for undergraduate and graduate students. This fellowship program, sponsored by Amazon SCOT (Supply Chain Optimization Technologies), aims to foster the professional pipeline of OR/MS and analytics researchers by providing students from underrepresented groups an opportunity to experience these exciting fields and gain professional development opportunities.

## ELIGIBILITY

- ✓ Must be an undergraduate junior or senior, or graduate student
- ✓ Attend a historically Black college or university (HBCU) or Minority-serving institution (MSI)
- ✓ Be enrolled in an OR/MS program or related field of study (math, industrial engineering, computer science, economics, etc.)
