

## **Two Open-Rank Faculty Positions in Operations Management**

**The Nanyang Business School (NBS), Nanyang Technological University, Singapore,** invites applications for faculty positions in Operations Management.

Two positions are available: one at the Assistant/Associate/Full Professor levels (tenure track), and the other at the Lecturer/Senior Lecturer level (teaching track).

### **About NTU:**

A research-intensive public university, Nanyang Technological University, Singapore (NTU Singapore) has 33,000 undergraduate and postgraduate students in the Engineering, Business, Science, Humanities, Arts, Social Sciences, and Graduate colleges. It also has a medical school, the Lee Kong Chian School of Medicine, established jointly with Imperial College London.

NTU is home to world-class autonomous institutes – the National Institute of Education, S Rajaratnam School of International Studies, Earth Observatory of Singapore, and Singapore Centre for Environmental Life Sciences Engineering – and various leading research centres such as the Nanyang Environment & Water Research Institute (NEWRI) and Energy Research Institute @NTU (ERI@N).

Ranked No. 12 in the most recent QS World University Rankings, NTU has also been named the world's top young university for the past eight years. The University's main campus is frequently listed among the Top 15 most beautiful university campuses in the world and has 57 Green Mark-certified (equivalent to LEED-certified) buildings, of which 95% are certified Green Mark Platinum. Apart from its main campus, NTU also has a campus in Novena, Singapore's healthcare district.

Under the NTU Smart Campus vision, the University aims to harness the power of digital technology and tech-enabled solutions to support better learning and living experiences, the discovery of new knowledge, and the sustainability of resources.

### **About the School:**

As a premier business school in a leading technological university, Nanyang Business School (NBS) strives for world-class innovation, research, and business education. Located in Singapore, the heart of East-West culture and business, NBS aims to develop leaders who can innovate for the future, transform organizations with cultural agility, and build sustainable enterprises in Asia and globally.

NBS is AACSB- and EQUIS-accredited and is currently ranked No. 39 in the 2022 Financial Times (FT) Global MBA ranking and No. 6 in Asia Pacific. We have been consistently ranked among the top 40 in the FT Global rankings.

### **About the Division:**

The Operations Management (OM) Faculty at Nanyang Business School is a growing and close-knit group of faculty members with faculty members publishing in top journals such as *Management Science*, *Operations Research*, *M&SOM*, *Journal of Operations Management*, *Production & Operations Management*, among others.

See these sites for more information:

<https://www.ntu.edu.sg/business/research/academic-divisions/itom>

<https://www.ntu.edu.sg/business/research/academic-divisions/itom/our-research>

**Key Benefits:**

NBS offers competitive salaries commensurate with the candidate's qualifications and experience. A reduced teaching load will be provided to research-active faculty. Generous funding support for research and conference travel is also available. The University will also provide subsidized on-campus housing, whereby residents have easy access to modern sports, F&B, childcare, and healthcare facilities in a campus frequently listed among the Top 15 Most Beautiful in the World. Faculty members also enjoy a low-tax environment (tax rate for the first US\$100,000 income averages about 10%).

**(1) Requirements for the tenure-track position:**

Applicants for the Assistant Professor position should have completed or be close to completing a PhD in Operations Management, Operations Research, Business Analytics, or a related field. Candidates for the Associate/Full Professor position are expected to have an established record of research excellence and academic leadership. The primary responsibility of the job holder is to conduct high-quality research and teach undergraduate and graduate-level courses in operations management and business analytics. While we welcome candidates from all areas of Operations Management, the preference is for candidates who use empirical research methodologies (broadly defined) to address the research questions. Candidates with an interdisciplinary research focus are especially encouraged to apply. Teaching experiences in business analytics, econometrics, and operations management will be considered a plus.

- Candidates for the Assistant Professor position should demonstrate strong publication potential in top-tier journals.
- Candidates for the Associate Professor position should have an established record of excellence in research and teaching.
- Candidates for the Full Professor position must demonstrate significant achievements in research and teaching and, in particular, the leadership impact of these scholastic achievements. They must have made substantial contributions to their profession and have international visibility.

**Application for the tenure-track position:**

Review of applications and shortlisting will start immediately until the position is filled. Applicants should submit their applications (a cover letter, detailed CV, research and teaching statements, and other supporting documents) through the NTU Workday career portal:

[https://ntu.wd3.myworkdayjobs.com/en-US/Careers/details/Open-Rank-Faculty-Position-in-Operations-Management\\_R00014248?q=Open+Rank+Faculty+position](https://ntu.wd3.myworkdayjobs.com/en-US/Careers/details/Open-Rank-Faculty-Position-in-Operations-Management_R00014248?q=Open+Rank+Faculty+position)

Our faculty members will be present at the 2023 INFORMS Annual Meeting. Applicants who will attend the Meeting are encouraged to submit their applications at their earliest convenience, preferably by Sep. 15, 2023.

In addition to applying for this position, you may also be interested in our Nanyang Assistant Professorship application call at [https://www.ntu.edu.sg/research/research-careers/nanyang-assistant-professorship-\(nap\)](https://www.ntu.edu.sg/research/research-careers/nanyang-assistant-professorship-(nap))

**(2) Requirements for the lecturer/senior lecturer position:**

Applicants should have extensive industry and/or academic experience, a passion for teaching and preferably possess a master's or a PhD degree in operations management, operations research, supply chain management, or closely related discipline, with the relevant professional qualifications.

Candidates applying for this position should possess a strong track record of teaching excellence at both the undergraduate and graduate levels. They should demonstrate their ability to actively engage students, contribute to curriculum development, and efficiently manage course administration for operations courses. In addition, candidates must exhibit exceptional teaching skills and be willing to collaborate closely with students and course coordinators.

Furthermore, candidates should have the flexibility and expertise to teach a diverse range of courses at both the undergraduate and graduate levels. As Lecturers and Senior Lecturers, they will also be expected to actively participate in practice-based research and contribute to the development of technology-enabled learning approaches for the courses. Successful candidates will be appointed for an initial three-year term, which is renewable based on performance.

Given our expanding course offerings, we are particularly interested in individuals who are adaptable and willing to acquire new skills to effectively teach newly developed courses.

NTU offers an internationally competitive salary commensurate with the candidate's qualifications and experience.

**Application for the lecturer/senior lecturer position:**

Review of applications and shortlisting decisions will be ongoing until the position is filled. Applicants are invited to submit their applications (cover letter, curriculum vitae, research, and teaching statements, list of contact for three letters of recommendation) through the NTU career portal: [https://ntu.wd3.myworkdayjobs.com/en-US/Careers/job/Lecturer\\_R00014244](https://ntu.wd3.myworkdayjobs.com/en-US/Careers/job/Lecturer_R00014244)
