

# Ph.D. FELLOWSHIPS IN ENGINEERING MANAGEMENT

Springfield, Massachusetts

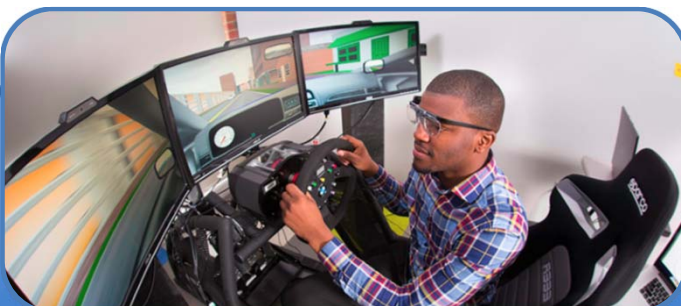

## **Cultivate marketable research and teaching skills while pursuing your Ph.D.**

The Department of Industrial Engineering and Engineering Management at Western New England University has fellowships available for highly motivated, multidisciplinary-minded graduate students. The Ph.D. in Engineering Management will prepare you to be at the top of your field as a respected researcher, practitioner, and educator.

In addition to teaching undergraduate industrial engineering and engineering management courses, opportunities for hands on research in fields such as quality, systems engineering, human factors, supply chain management, operations research, production and management systems and manufacturing are available to graduate fellows.

## **Fellowships Include:**

- **\$23,000 annual stipend.**
- **Full tuition waiver.**
- **Opportunity to gain valuable teaching experience at the undergraduate level.**
- **Collaboration with faculty on a variety of funded grants and industry research.**

Interested applicants should contact
