

The Department of Supply Chain Management in the W. P. Carey School of Business at Arizona State University is seeking applications from those interested in a **Postdoctoral Research Scholar** position with an anticipated start date of Summer/Fall 2022.

Expectations/Essential Functions:

- The postdoctoral scholar will develop his or her own research, in addition to contributing to ongoing research of faculty mentor(s) within the SCM department. Our faculty members have a wide range of research interests, and the postdoctoral scholar can work with more than one faculty member.
- The postdoctoral scholar will also have opportunities to teach.
- We anticipate that the postdoctoral scholar will be an active participant in workshops, conferences and events at W. P. Carey School of Business.
- This is a full-time, non-tenure-track, benefits-eligible, fiscal year (July 1 – June 30) appointment with the possibility of a one-year renewal. Salary is competitive.

Minimum Qualifications: Applicants must hold a Ph.D. in one of the relevant fields of economics, public policy, operations management, operations research, or other related areas. Applicant must have degree conferred before the start date.

Desired Qualifications: (i) Strong writing skills, presentations skills developed at conferences; (ii) skills in advanced quantitative, experimental, or empirical research methods, and possession of an independent research agenda.

We welcome candidates with all research topics and methods are to apply.

WPC Diversity Statement: The W. P. Carey School of Business values our cultural and intellectual diversity and continually strives to foster a welcoming and inclusive environment. We are especially interested in applicants who can strengthen the diversity of the academic community.

Application Deadline and Procedure: Application deadline is **April 15, 2022**. Screening of the applications will start immediately, and interviews will commence upon the initial deadline. Applications will continue to be accepted on a rolling basis for a reserve pool. Applications in the reserve pool may then be reviewed in the order they were received until the position is filled. To apply, submit the following materials to <https://apply.interfolio.com/104896>.

1. Cover letter that addresses how you meet the qualifications, your accomplishments, and future plans in research and teaching
2. Curriculum vitae
3. Sample paper
4. Research project proposal (limited to 2 pages)
5. A statement (one-page maximum) addressing how your past and/or potential contributions to diversity and inclusion will advance W. P. Carey's commitment to inclusive excellence
6. List of references

For additional information, please visit our department website at <https://wpcarey.asu.edu/supply-chain-management-degrees>. If you have any questions, please feel free to reach out to the search committee chair, Dr. Mahyar Eftekhari (eftekhari@asu.edu). A background check is required prior to employment.

Selection process: Applications will undergo a review by a committee of faculty from the Department of Supply Chain Management. Top candidates will be invited to interview with the committee.

COVID-19 Vaccination Requirements - Arizona State University is a federal contractor and subject to federal regulations which may require you to produce a record of a COVID-19 vaccination.
