

# Call for Nominations: 2022 Erlang Prize

**Deadline: May 1, 2022**

The Applied Probability Society of INFORMS (APS) is currently soliciting nominations for the 2022 award of the biennial Erlang Prize. The Erlang Prize is awarded to an earlier career researcher who has made a significant contribution to applied probability. A candidate who received his or her first PhD or an equivalent degree anytime in year 2013 or later is eligible.

The previous winners are: Dimitris Bertsimas, Jose Blanchet, Xiuli Chao, Jim Dai, Ton Dieker, David Gamarnik, Paul Glasserman, Ramon van Handel, Jevgenijs Ivanovs, Steven Kou, Johan van Leeuwen, Balaji Prabhakar, Kavita Ramanan, Josh Reed, Devavrat Shah, Mykhaylo Shkolnikov, David Tse, Neil Walton, Larry Wein, and Bert Zwart.

The prize consists of a plaque and a \$1000 check. The prize will be awarded at the 2022 INFORMS annual meeting in Indiana Convention Center, Downtown Indianapolis, Indiana. This year's Prize Selection Committee consists of Sandeep Juneja (chair), Rhonda Richter and R. Srikant.

The rules that govern the prize can be found at the following link:

<http://connect.informs.org/aps/apsawards/erlang>

Nominations should be sent electronically to the chair of the committee at [juneja@tifr.res.in](mailto:juneja@tifr.res.in) by **May 1, 2022**. Nominations may be made by anyone, including the nominee. Nominations consist of a description of the significance of the nominee's work and supporting documents (including a suggested two to four letters).

**Sandeep Juneja (chair)**

School of Technology and Computer Science  
TIFR, Mumbai

**Rhonda Richter**

Industrial Engineering and Operations Research  
University of California at Berkeley

**R. Srikant**

Electrical and Computer Engineering  
University of Illinois Urbana-Champaign
