

We cordially invite you to **register** for the **INFORMS 13<sup>th</sup> Data Mining and Decision Analytics (DMDA) Workshop**, which will be held on November 03, Saturday 2018 in Phoenix, AZ. It will be a great networking venue for all at different capacities!

This year, 70 highly qualified research presentations have been accepted to be presented at this annual workshop. The authors of the submitted papers is a well-balanced mix of engineering and business school colleagues.

Please register for the event ASAP so that we can make the logistical planning accordingly (if you have not registered yet). Continental breakfast, open buffet lunch, and coffee for break times will be provided for the registered participants only.

If you have already registered for the INFORMS Annual Meeting, but not for the 13<sup>th</sup> DMDA Workshop itself, you can simply contact INFORMS customer service via [informs@informs.org](mailto:informs@informs.org) and have them register for you.
