Call for Session Chairs – Data Mining (DM) Cluster of 2024 INFORMS Annual Meeting

The INFORMS Data Mining Society (DMS) is delighted to invite you to organize and chair sessions at the 2024 INFORMS Annual Meeting! The meeting will be held on October 20-23, 2024 at Seattle, WA, USA.

We welcome individuals from diverse backgrounds, including students, faculty, and industry/nonprofit professionals, who share an interest in chairing regular-talk/flash-talk/panel discussion sessions focused on the applications and methodologies of data analytics and decision making. As chairs of regular-talk sessions, you will be responsible for inviting 4-5 speakers to give a 15-minute presentation each, in a 75-minute session. Note that INFORMS restricts each speaker to only ONE presentation.

If you are interested in organizing a regular-talk/flash-talk/panel discussion session at the 2024 INFORMS Annual Meeting, please fill this form https://forms.office.com/r/3uSeB9NGv0 by **April 15, 2024**. We will review your session request and create a session for you in the system. You will then receive an email with detailed instructions to invite and enter presenters in your session.

Important Dates

- **April 15:** Deadline to indicate interest of being a Session Chair
- April 17: Deadline for Cluster Chairs to submit Sessions and Session Chairs
- May 1: Deadline for Session Chairs to submit Presenters
- May 15: Deadline for Presenters to submit Abstracts
- Aug 1: Deadline for Presenters to register for INFORMS

If you have any questions regarding the session organization, please feel free to contact us at informs.dms@gmail.com.

Thank you for your participation and contribution to the Data Mining Society of INFORMS! We look forward to hearing from you.

Best regards,

Ying Lin
