Welcome

Welcome to ICCL 2024, the premier gathering for enthusiasts of Computational Logistics.

Just as Computational Logistics optimizes the flow of goods and services, at ICCL 2024 we enrich your conference experience with dynamic presentations, workshops, and roundtable discussions. With a 15-year track record, our event evolves to address industry challenges, offering diverse perspectives and the latest advancements.

Understanding the importance of facilitating your participation, we have compiled a set of tools and resources to assist you in this process.

Organizers'

letter

Esteemed participants,

It is an honor to welcome you to ICCL 2024, a cutting-edge event in logistics innovation taking place at the prestigious Tecnológico de Monterrey.

At ICCL 2024, we will delve into the heart of logistics innovation, driven by the dynamic energy of one of Mexico's leading cities and universities.

This event is your gateway to a vibrant community of industry leaders, researchers, academics, and professionals who will address the most pressing global challenges in logistics.

Get ready to be inspired by captivating presentations, immersive workshops, and thought-provoking panel discussions. Our distinguished lineup of keynote speakers promises to offer insights that will ignite your passion for change.

Join us at ICCL 2024, where knowledge meets action to revolutionize our industry.

Sincerely,

Stefan Voß
University of Hamburg

Alexander Garrido
Tecnológico de Monterrey

Carlos Paternina-Arboleda
San Diego State University

Conference Chairs

Location

Tecnológico de Monterrey, Campus Monterrey

- Site: <https://tec.mx/es>
- Eugenio Garza Sada 2501, Col. Tecnológico, Monterrey, Nuevo León, México 64800

Targeted to

- Teachers and researchers
- Industry professionals
- Undergraduate and graduate students and teachers

Language

- English

* No translation will be provided.

About

ICCL 2024

Benefits of participating

- Professional networking with industry leaders and logistics experts.
- Learning and professional development opportunities.
- Access to cutting-edge resources and tools in logistics.
- Opportunity to contribute to the advancement and continuous improvement of the logistics industry.
- Exploration of new technologies.

Academic information

Objective

To provide a platform for the exchange of knowledge, collaboration, and innovation in computational logistics through engaging keynote presentations, interactive sessions, and hands-on workshops.

Tracks

1. AI/ML-Driven Supply Chain & Logistics
2. Vehicle Routing Problems
3. Freight & Transport
4. Sustainability
5. Resiliency & Disaster Response Management
6. Maritime Logistics & Nearshoring

Ways to participate

- **Special Session.** It is a presentation on one of the tracks of this conference. Case studies, application projects, and practical solutions implemented in organizations to enhance efficiency, sustainability, and competitiveness in their supply chains can be presented.
- **Scientific Publication.** Contributions in the field of logistics involving research and operations management, decision support, artificial intelligence, and information systems. The papers presented will undergo peer review and will be available for publication in the Springer Lecture Notes in Computer Science (LNCS) series. Some of them may be selected for publication in the Supply Chain Analytics Journal (Elsevier®).

Program

Sunday, September 8th

17.00 – 18.00 Registration
18.00 – 19.00 Welcome Session
19.00 – 20.00 Cocktail

Monday, September 9th

7.30 – 9.00 Coffee & Registration
9.00 – 10.00 Opening Keynote Session
10.00 – 10.30 Coffee Break
10.30 – 12.00 Parallel Sessions (Tracks 1, 2 & 3)
12.00 – 16.00 Lunch & Visit
16.30 – 18.00 Parallel Sessions (Tracks 4, 5 & 6)
19.30 – 21.30 Dinner

Tuesday, September 10th

7.30 – 9.00 Coffee & Registration
9.00 – 10.00 Keynote Session
10.00 – 10.30 Coffee Break
10.30 – 12.00 Parallel Sessions (Tracks 1, 2 & 3)
12.00 – 13.30 Lunch
13.30 – 15.00 Parallel Sessions (Tracks 4, 5 & 6)
15.30 – 17.00 Final Keynote & Closing

About the city of Monterrey

For transportation, it is recommended to use reliable ride-hailing services such as Uber, Cabify, or Didi for greater convenience and safety. Authorized airport taxis are another safe option, available for purchase within the terminal.

The journey from the General Mariano Escobedo International Airport to Tec de Monterrey is approximately 31.7 km and can take between 30 and 60 minutes.

stay in the city

Clarifications about transfers and hotels:

- Daily transportation from the hotel to Tec de Monterrey is not included in the rate.
- Hotel rates are standard and are not part of any existing agreement between the congress and the hotel.

There are three hotels near Tec de Monterrey that are suggested for accommodation due to their proximity.

One Monterrey Tecnológico

- Distance: 0.4 km to Tec
- Rate: starting from US\$75/night
- Reservation: [Click here](#)

Fiesta Inn Monterrey Tecnológico

- Distance: 0.4 km to Tec
- Rate: starting from US\$85/night

Policies

Cancellation

- Cancellation requests must be submitted through the contact form on the conference website.
- For cancellations received before August 15, 2024, a refund will be granted, reduced by an administrative fee of 50 USD. After this date, refunds will be at the discretion of the Organizing Committee. No-shows will not receive a refund.
- In the unlikely event that the conference cannot be held in whole or in part due to any event beyond the control of the Organizers or force majeure (such as riots, fires, explosions, accidents, floods, sabotage, strikes, acts of law or regulation by foreign Authorities, epidemic outbreak, health emergency, etc.), the Event Organizers cannot be held responsible for any damage, cost, or loss incurred, such as transportation and accommodation costs, or any other direct or consequential loss or damage. We recommend delegates insure against such losses. Conference registration fees will be refunded after deducting already incurred expenses or alternative arrangements will be offered to delegates. Please allow up to 3 weeks to receive any refunds.

¡We look forward to seeing you at ICCL 2024!
