

# Discrete Optimization Talks

**DOTs: a virtual seminar series**

By the Mixed Integer Programming Society,  
a section of the Mathematical Optimization Society

Oct – Dec  
2023

[talks.discreteopt.com](https://talks.discreteopt.com)

Monthly  
First Fridays  
12pm ET

2 x 30-minute talks on theoretical, computational, and  
applied aspects of integer and combinatorial optimization

**Join us for a social after DOTs!**

**October 6, 2023**

Selvaprabu  
Nadarajah

Maryam  
Daryalal

**November 3, 2023**

Karen  
Aardal

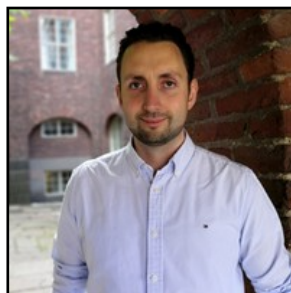

Álinson  
Santos Xavier

**December 1, 2023**

Silvia  
Di Gregorio

Jan  
Kronqvist
