

Tenure Track Supply Chain / Operations Management / Decision Sciences / Business Analytics

Faculty Openings

The Operations and Decision Technologies Department of the Kelley School of Business invites applicants for tenured/tenure-track positions to begin fall 2022. A doctoral degree (or near completion in the case of the Assistant rank) in the area of appointment or related field and strong records (in the case of the Associate rank) in both research and teaching are required.

We welcome applications from individuals with research interests in the broad domains of supply chain, operations management, decision sciences and Business Analytics. The likely teaching responsibilities involve supply chain and operations management, data analysis and quantitative methods. Teaching requirements may include undergraduate, masters, and doctoral level classes. We welcome candidates whose work will help us advance the School's diversity, equity, and inclusion initiatives and programs.

Faculty will be available to meet with candidates attending the INFORMS conference (in-person or online); applicants not attending INFORMS will also be considered. To ensure consideration, applications should be received by September 30th, 2021; however, the search will continue until the positions are filled. Interested applicants should review the position requirements and apply at <https://indiana.peopleadmin.com/postings/11352> . Candidates should direct any questions to Sarah Hall, Department of Operations and Decision Technologies, Kelley School of Business, 1309 East 10th Street, HH 4100, Bloomington, IN 47405 or odt@indiana.edu.

Indiana University is an equal employment and affirmative action employer and a provider of ADA services. All qualified applicants will receive consideration for employment without regard to age, ethnicity, color, race, religion, sex, sexual orientation, gender identity or expression, genetic information, marital status, national origin, disability status or protected veteran status.
