CALL FOR NOMINATIONS

IISE New Faculty Colloquium 2024
Saturday, May 18, 2024
8:30 a.m. – 5:30 p.m.
Montreal, Canada

Nominations Due from Department Chairs by Friday, March 29

</div>

The Council of Industrial Engineering Academic Department Heads (CIEADH) and the Institute of Industrial & Systems Engineers (IISE) request nominations for the 22nd Annual New Faculty Colloquium to be held on Saturday, May 18, 2024, prior to the IISE Annual Conference & Expo.

This all-day event is designed for new, early-career IISE faculty, especially those in their first three years of a tenure-track Assistant Professor appointment. The colloquium provides information that can be useful for navigating the challenges of an academic career and gaining tenure and promotion. Participants will have an opportunity to ask questions and network with senior-level professors and peers. Topics tentatively scheduled for presentation include:

- Welcome from IISE officers
- Balancing your career
- Effective service strategies
- Effective teaming-building and mentoring strategies
- Effective teaching strategies
- Research funding and collaboration strategies
- Lessons learned from recently tenured faculty
- Tenure and promotion panel discussion

Meals (continental breakfast, lunch, and snacks) are provided during the program. There is a $50 fee per person for this event. All expenses incurred (including registration for the IISE Annual Conference) are the responsibility of the nominee or the nominating department. Attendees must register separately for the IISE Annual Conference. More details on the event can be found at www.IISE.org/annual.

All nominations must be made by department heads/chairs. Nomination materials include (i) a statement from the chair (in an email) indicating the name(s) of the nominee(s) and their contact information; and (ii) a current curriculum vitae for each nominee.

E-mail nominations to rmehta38@wisc.edu and tcshark@clemson.edu with the subject line "2024 IISE NFC Nomination." To request more information, contact the colloquium organizers:

Ranjana Mehta	Thomas Sharkey
Professor of Industrial & Systems Engineering	Professor of Industrial Engineering
University of Wisconsin	Clemson University
rmehta38@wisc.edu	tcshark@clemson.edu

Nominations should be received by **March 29, 2024**. Early nominations are encouraged since space is limited.
