

NEXTPROF NEXUS 2019

October 2-5 ATLANTA, GA

JOIN THE NEXT GENERATION OF SCIENTIFIC AND TECHNOLOGICAL LEADERS.

NextProf Nexus is a three-day program that is part of a nationwide effort to strengthen and diversify the next generation of academic leaders in engineering. This preeminent event is designed to give you the opportunity to explore and prepare for a faculty position in academia.

Attend NextProf Nexus 2019 and join a diverse group of engineering Ph.D. students and recent doctoral graduates to learn more about the academic career path. The NextProf experience gives you a candid view of academic life, along with the tools and network to support your success. Speakers include distinguished deans, administrators, faculty and subject-matter experts from across the country. All costs are covered for accepted applicants.
