

Call for Participation
Student Introduction and Interaction Session
Best Student Poster Competition
Quality, Statistics, and Reliability (QSR) cluster

INFORMS Annual Meeting 2018
November 4-7, 2018, Phoenix, AZ
<http://meetings2.informs.org/wordpress/phoenix2018/>

The Quality, Statistics, and Reliability (QSR) cluster of Institute for Operations Research and Management Sciences (INFORMS) is inviting QSR student members to participate in the **Student Introduction and Interaction session** and the **Best Student Poster Competition** at INFORMS Annual Meeting 2018.

1. The Sessions

Student Introduction and Interaction Session -The Student Introduction and Interaction Session is designed for QSR student members to build their professional network, show up their talents, and learn from invited guests. In this session, each student will be given two minutes to deliver an elevator speech about his/her research interests and accomplishments; Senior QSR members, junior faculty members, and industry guests are invited to interact with all attendees.

Best Student Poster Competition - A parallel Best Student Poster Competition will be hold at the same room. Students are encouraged to prepare poster presentations to have better exposure. All posters will enter the competition automatically. A winner will be selected by a panel of judges, announced at the QSR business meeting, and awarded a certificate.

All speakers and poster presenters will be included in printed brochures; the brochures will be distributed to all attendees and among the QSR community. Invitations to this session will be sent to department chairs and employers that have interests in recruiting QSR students.

2. The Schedule

The session is usually scheduled on the first day of the conference at slot B. Student poster exhibition starts at 10:00am at the session room; all are welcomed to arrive earlier to interact with the students. The Introduction and Interaction session formally starts at 11:00am. The student poster exhibition continuous until 1:00pm.

3. Registration

Participation in these two sessions is free of charge. To register the conference, please go to: <http://meetings2.informs.org/wordpress/phoenix2018/register/>
The session plans to have 25 student speakers due to the limited capacity. Students who are on job market and/or have poster presentations will be given higher priority.

For inquiries and registration, please contact co-chairs of Student Introduction and Interaction Session and Best Student Poster Competition.
