

**Department of *Information Systems and Operations Management*
Faculty Opening**

The Information Systems and Operations Management Department in HEC Paris (France) invites applications for a tenure-track position in operations and supply chain management to begin September 2018. We encourage candidates with a broad range of expertise to apply.

A strong potential both in research and teaching is required. Applicants must demonstrate their potential for conducting outstanding research to be published in leading international journals. Teaching experience in MBA programs and/or executive education are appreciated.

This position is targeted at the assistant professor level, but experienced candidates at senior levels are also encouraged to apply.

To ensure consideration, applications should be received by the deadline of November 5th, 2017. However, the search will continue until the position is filled.

Interested applicants should send (preferably by email) a cover letter, vitae, research and teaching statements, selected research papers, and three letters of recommendation to:

Professor Christian van Delft
Department Head, Information Systems and Operations Management
HEC Paris
1 Rue de la Libération, Jouy-en-Josas Cedex, 78351, France.
